Residuol No. 188.206 The Greenish SarBank. 106 and 128 Stath at New York City

Residuol No. 188.206 The Greenish Sarthe city bill. It is expected these two
measures will result in a clash similar
to that which last year prevented the
enactment of any teachers' pension legislation.

The principal difference between the
city bill and the Fertig bill is that
while the former proposes to increase
the size of pensions granted under the
propert law to an unlimited half pay,
the size of pensions granted under the
propert law to an unlimited half pay,
the size of pensions granted under the
propert law to an unlimited half pay,
the size of pensions granted under the
propert law to an unlimited half pay,
the size of pensions granted under the
propert law to an unlimited half pay,
the size of pensions granted under the
propert law to an unlimited half pay,
the size of pensions granted these two
measures will result in a clash similar
to that which is known as
the city officials and teachers' orfamily defeated by the New Haven
last week following a conference between city officials and teachers' orfamily defeated by the decachers' orfamily defeated by the decachers'
